Mercy Corps is an international development organization that works in 40 countries across the globe and is committed to alleviating suffering, poverty and oppression by helping people build secure, productive, and just communities. Mercy Corps Nepal achieves these changes by focusing its' programs on economic development, civil society initiatives, and, when necessary, humanitarian assistance. ([www.mercycorps.org](http://www.mercycorps.org))

**Communication, Monitoring and Evaluation Officer**  
**Based in Lalitpur, Kathmandu Valley**

**Position Background:** Mercy Corps works on value chains, micro-finance and disaster risk reduction in Eastern and Far-Western Nepal. In order to maintain high quality implementation and communicate our approaches and impacts with donors, partners and stakeholders, Mercy Corps is currently looking for a Communications, Monitoring and Evaluation (C, M&E) Officer. The C,M&E officer will be based in Kathmandu with occasional travel to project sites as needed. S/He will work directly with the C,M&E Manager and Project staff to create and conduct surveys, manage monitoring data, write reports, and create print, web, and photo media.

Mercy Corps invites applications from candidates having BA/S or equivalent in economics, public relations, international development, statistics, business or related field with at least 2 years experience in international relief and development. Successful applicants must have excellent oral and written English skills, knowledge of research methodologies, data-management, computers (including MS Office Suite and Media-related software), and work well as both a team member and team leader.

The C,M&E Officer will be based in Kathmandu and require occasional travel to the East and Far West (including locations accessible only by foot). The initial contract will be for 9 months with renewal possible based on performance. Via email interested candidates are requested to submit CV along with an application letter by September 19, 2008.
