## EARLY RECOVERY CLUSTER

**EARLY RECOVERY CLUSTER MEMBERS\***

Cluster Lead: Ministry of Federal Affairs and General Administration

Cluster Co-Lead: UNDP

**Government Ministries**

- MOHP
- NDRRMA

**Development Partners**

- Action Aid Intl Nepal
- AWO International
- FCA
- Handicap International
- Islamic Relief Nepal
- LWF
- NRCS
- People in Need
- Plan International
- Save the Children
- UNICEF
- WHH

**Background:**  
The humanitarian coordination architecture in Nepal is led by the Government of Nepal via 11 clusters plus formal inter-cluster working groups on information management, community engagement (accountability to affected populations), cash, and gender in humanitarian action. Under the guidance of the Resident Coordinator, the Humanitarian Country Team (HCT) is responsible for the implementation of the international community's inter-agency disaster preparedness and response activities in Nepal. The Early Recovery cluster at the federal level is led by the Ministry of Federal Affairs and General Administration; and at the provincial level, it is led by various ministries. The Early Recovery Cluster Co-leads at the federal and provincial tier is UNDP.

**Objectives:**  
The key objectives of the Cluster include:

- Provide support on resumption of livelihoods and income generating opportunities.
- Rehabilitate essential community infrastructures, offering local employment opportunities through cash for work mechanisms and unconditional cash transfers where needed.

**Frequency:**

- The federal level Early Recovery Cluster meeting will be held on a quarterly basis, and one of these meetings will take place ahead of the monsoon.

**Recent Interventions:**  
Following the Western Nepal Earthquake in November 2023, the ER Cluster was re-activated at the national level via the Ministry of Federal Affairs and General Administration (MOFAGA), Kathmandu and held its first meeting on 6 November 2023. In Karnali, led by the Ministry of Industry Tourism Forest & Environment (MoTFE), the cluster met on 8 November 2023. The ER cluster holds periodic meetings at national and province levels to discuss emerging issues. Some recent key interventions of the ERC include:

- Supported debris clearance of over 400 households in Barekot RM, Nalgad Municipality, Bheri Municipality in Jajarkot and Aathbiskot RM in Rukum West districts as part of the Cash for Work (CFW) programme.
- Completed the construction of Type 2 Temporary Learning Centers (TLCs) and toilets.
- Supported 220 households, especially pregnant women, lactating mother and people with disability through Cash Voucher Assistance in Ward 1, 2,3 and 4, at Bheri Municipality.
- Provided training on temporary shelter construction as well as entry of beneficiary data entry in the BIPAD portal.
- A meeting on 14 May 2024 was held at the national level to discuss early recovery monsoon preparedness.

\*As of 27 May 2024
